

Laptop Security

Direct from Denmark!

Designed to keep your laptop readily at hand yet ensure important data remains secure, the SVAR Laptop Secure is constructed in steel with a powder coated finish. Self tapping screws mount the track under a horizontal surface, usually a desk.

Add security to the convenience of a laptop. The laptop itself, expensive software and sensitive information can confidently be kept secure, yet moments from use.

Minimalist by design, pure simplicity to use.

RRP \$434.50
